POLICY STATEMENT

1. VALUES

Home Road Kindergarten is committed to:

- Providing a safe and healthy environment for children and staff participating in the Bush Kinder program or visiting local parklands
- Being respectful of the community space that the Bush Kinder site or local parklands offers, including an awareness of dogs being walked off leash in the area
- Providing appropriate communication and education to children, staff and parents/guardians to minimise the risk of injury of a dog bite to children and staff during Bush Kinder or visit to local parklands.

2. SCOPE

This policy applies to children, parents/guardians, staff, committee members, authorised persons, volunteers and students on placement working at Home Road Kindergarten during all programs (3 and 4 year old Kindergarten and Bush Kinder program).
